

PLANIMETRIA
SCALA 1:250

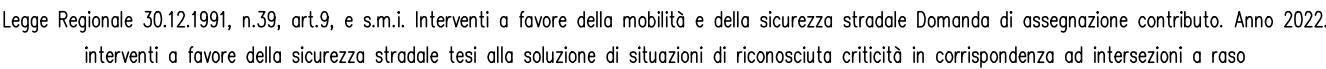

23.48

22.81

23.41

This technical drawing illustrates a roundabout intersection with a central green island. The drawing includes various traffic signs and elevation markers. Signs include yield signs (red triangles), priority signs (blue circles with white arrows), and directional signs (blue rectangles). Elevation markers are shown as small squares with numbers (e.g., 23.48, 22.81, 23.41). The drawing also shows the road layout, including lanes, sidewalks, and a central island. The scale is 1:250.
